

AN
OTHER
RACE

INSPIRED BY RACING. DESIGNED IN GERMANY.

Where you come from defines who you are. CARRERA comes from motorsport and the Carrera Panamericana, the world's longest and most gruelling auto race back in the fifties. Over a distance of several thousand kilometers, this legendary race took drivers to their limits and beyond. Only the strongest survived; only the best stood a chance of winning. For the men and their cars, the real opponents were not so much their competitors as the laws of physics and the limitations of their own bodies and materials. They knew that giving anything less than everything was simply not enough.

Today, that same philosophy drives us to develop unique and powerful tools. In Germany. With perfectly configured high tech components and a consistent design across the whole range, our tools are not just functional, but exciting too. CARRERA transforms everyday appliances into lifestyle products for bathrooms and kitchens alike.

Garantie ist eine feine Sache. Vor allem, wenn Sie diese kostenlos auf 36 Monate verlängern können. Mehr dazu in der Bedienungsanleitung oder direkt auf www.carrera.de/service

Warranty is a great thing, especially when you can extend it to 36 months for free. More details can be found in the operating instructions or directly on www.carrera.de/service

POWERFOOD BY CARRERA.

Every CARRERA appliance is designed for maximum performance in its core functionality. For us, performance is much more than just 'work done per unit of time'. It's everything a tool does for its user. How it sits in your hand. How it sounds. What components it uses, and how precisely they interact.

The same goes for the food our kitchen appliances help you prepare. It's simple, delicious, packed with energy and designed to slot into your busy day without the need for complicated recipes. Our secret ingredient: the CARRERA Powerfood Experts who get you up to speed on power-packed ingredients and gentle preparation. Their mission is to help you rediscover the joys of healthy, creative yet simple cooking. You can check out their tips and tricks regularly in our CARRERA Magazine – or why not call or email them directly?

BLENDER WITH AUTOMATIC COOKING FUNCTION N°655 | MODERN QUADRATHLON.

- Crush, Mix, Cook, Steam
- Automated programs and manual modes
- 20,000 rpm
- Heating plate with durable 2-layer non-stick coating
- Digital dial with LED display

STICK BLENDER N°554 | SPLATTER-FREE MIXING.

- 800 W power
- 5 speeds plus turbo boost
- Digital dial with LED display
- RPM start-up control
- Quality housing with stainless steel applications

POTATO MASHER ATTACHMENT N°554 | STICK BLENDER ATTACHMENT.

- For creamy potato purees and smooth compotes
- High quality, durable stainless steel butterfly blades

MEASURING JUG N°554 | STICK BLENDER ATTACHMENT.

- 800 ml measuring jug
- Aroma protection lid for hygienic storage
- BPA-free

QUARTZ TOASTER N°552 | HIGH TECH FOR TOAST.

- 4 glass-coated quartz ceramic heating elements for even browning
- Digital control unit with 9 shade settings and visual countdown
- Memory function stores your preferred toast settings
- Integrated, dial-operated bun warming rack
- Zero watt consumption in Eco standby mode

WATER KETTLE N°551 | HIGH-SPEED PRECISION FOR YOUR PREFERRED TEMPERATURE.

- 2200 W power
- Push-button temperature settings (60°/70°/80°/90°/boiling/temp control)
- Stainless steel housing for natural, unadulterated taste
- Capacity 1.7 l
- Temp control for 30 min.

GLASS WATER KETTLE N°651 | HIGH-SPEED PRECISION FOR YOUR PREFERRED TEMPERATURE.

- 2200 W power
- Push-button temperature settings (60°/70°/80°/90°/boiling/temp control)
- Tasteless, odourless and heat-resistant glass jug
- Capacity 1.7 l
- Temp control for 30 min.

HAND MIXER N°555 | LONG DISTANCE RUNNER.

- 300 W power
- Powerful, durable AC motor
- 4 speed settings plus turbo boost function
- High-quality stainless steel beater and dough hooks
- Rear with silicone supporting surface for setting the unit aside
- Coiled cord for safe operation and easy storage in the kitchen

AC HAIR DRYER NQ631 | WIND MACHINE IN SALON QUALITY.

- AC motor lasts four times longer than conventional DC motors
- 2400 W power
- Ion generator with separate on/off switch
- Air flow infused with argan oil & keratin
- Cool shot

HAIR DRYER NQ531 | DRY AND STYLE LIKE A PRO.

- 2400 W power
- Durable DC motor with titanium and ceramic coating and AC turbine
- Permanently ionised
- Air flow infused with argan oil & keratin
- Cool shot

COMPACT HAIR DRYER NQ532 | DON'T LEAVE YOUR LOOK AT HOME WHEN YOU TRAVEL.

- 1600 W power
- Dual voltage switch: 110 V / 240 V
- Ceramic coated air outlet grille for even heat distribution
- Permanently ionised
- Air flow infused with argan oil & keratin
- Practical folding handle

HOT AIR BRUSH NQ535 | BE YOUR OWN STYLIST.

- 1200 W power
- Air flow infused with argan oil & keratin
- Ceramic coated styling brushes for even heat distribution
- Cool shot
- Permanently ionised
- 4 styling attachments

CURLING TONG NQ537 | 25% LONGER. 25% FASTER.

- Ø 26 mm curling tong for soft curls
- Silicon protective strip for healthy hair tips
- Styling area with 4-fold ceramic coating
- Precise temperature settings 120 to 210°C
- Illuminated LED display for digital temperature control

HAIR STRAIGHTENER NQ534 | LENDS LUSTRE, COMMANDS RESPECT.

- Floating styling plates, 110 mm long and 25 mm wide
- Rounded styling plates infused with argan oil & keratin
- Permanently ionised
- Temperature settings from 140 to 220°C
- Illuminated LED display for digital temperature control

FACIAL CLEANSING BRUSH NQ571 | EXTREMELY ENDURING, EXTREMELY HYGIENIC.

- Antimicrobial brush heads
- 3 rotation speeds for gentle, deep cleansing
- 5 attachments for normal and delicate skin, peeling, massage and make-up
- Timer with 20-second interval
- High performance lithium battery: 60 min. operating time

SHAVER N°521 | MORE BLADES, MORE POWER.

- 4-track shaving system with integrated long hair trimmer and 3 spring-loaded cutting blades
- 3D shaving head: multi-directional shaving head
- Wet & Dry shaver (IPX6)
- High performance lithium battery: 60 min. operating time
- USB mains adapter

SHAVER N°421 | DANGER, SMOOTH SURFACES!

- 3-track cutting system with integrated long hair trimmer and 2 spring-loaded cutting blades
- Wet & Dry shaver (IPX6)
- High performance lithium battery: 45 min. operating time
- USB mains adapter

BEARD TRIMMER N°623 | BLADES ON SPEED.

- Precision stainless steel cutting system with titanium coated cutting blade
- Variable attachment comb for cutting lengths of 4–14 mm
- Integrated fine adjuster for 0.8/1.2/1.6/2.0 mm
- High performance lithium battery: 60 min. operating time
- USB mains adapter

HAIR CLIPPER N°622 | UNFAIR: TITANIUM AND CERAMICS VS. HAIRS.

- Titanium coated professional cutting unit with ceramic cutting blade
- 2 variable attachment combs for cutting lengths of 4–19 mm / 21–36 mm plus additional thinning attachment
- Integrated fine adjuster for 0.8/1.2/1.6/2.0 mm
- High performance lithium battery: 60 min. operating time
- USB mains adapter

CHARGING STATION N°526 | ONE FITS ALL.

- For all CARRERA grooming tools
- Flexible silicon insert
- Suction base for extra stability

COSMETIC TRIMMER N°524 | POCKET-SIZE COSMETIC STUDIO.

- Precision stainless steel cutting system
- Eyebrow trimming attachment 4 mm/8 mm
- Runs on 1 x 1.5V AA battery
- Operating time: 90 min.
